THE STRETCH TENT

RELAXING IN THE OPEN AIR

At the heart of camp, the stretch tent offers a comfortable and welcoming space to unwind between adventures. Step out of your motorhome, settle into the shade, enjoy a drink, and take in the surrounding bushveld. Afternoons drift by easily here, whether reading, chatting, or simply watching the landscape shift with the light. As evening falls, lanterns cast a warm glow beneath vast African skies, creating a relaxed space to gather, breathe, and feel fully present in the wild.

WILD CAMPING EXPERIENCE

Spectacular 23,000 hectare wildlife sanctuary within the Greater Kruger area and shares a border with the world-acclaimed Kruger National Park. This unspoiled expanse of African bush offers an authentic and intimate experience of South Africa's diverse wildlife.

This lesser-known jewel stands as one of the few remaining "secret places," offering visitors an exclusive and intimate encounter with raw nature as their backdrop.

PRIVATE MOTORHOME / OFF-ROAD CAMPER ACCOMMODATION

Your home in the heart of the wild - Settle into your fully equipped Private motorhome / off-road camper accommodation for three unforgettable nights, where comfort travels with you into untamed landscapes. Thoughtfully designed for relaxation, your space offers a cozy bed, practical amenities, and a quiet retreat after a day of adventure.

Wake up to golden light spilling across the savanna, brew your morning coffee with wildlife in the distance, and end each evening wrapped in the calm of the bush. It's the perfect balance of freedom and comfort.

MOBILE BUSH SPA

TREATMENTS SET IN THE TRANQUILITY OF NATURE

Enhance your wilderness stay with our mobile bush spa, offering relaxing treatments set in the tranquility of nature. Enjoy a soothing massage or wellness treatment surrounded by the sights and sounds of the African bush. Spa treatments are available on request and subject to therapist availability.

WILDLIFE ROAMING FREELY

MOMENTS SHARED WITH THE WILD

Surrounded by open bushveld, the camp sits within a landscape where wildlife moves naturally through its habitat. It's not unusual to spot animals in the distance or hear the sounds of the bush carried on the wind. Every moment outdoors brings the quiet possibility of a sighting. Mornings may begin with the call of birds and the movement of animals across the plains, while afternoons invite you to slow down and watch the wilderness unfold around you. Here, nature isn't something you visit—it's something you share space with, experiencing the bush just as it has always been.

BUSHVELD GOURMET MEALS

DINING INSPIRED BY THE WILD

Adventure does not mean giving up comfort. In the heart of the wild, enjoy beautifully prepared bushveld cuisine crafted by your private chef, with all meals included. From open-fire cooking and fresh, locally inspired ingredients to lantern-lit dinners under stretch tents and relaxed campfire conversations, every meal becomes part of the experience—effortless, flavorful, and unforgettable.
